

**To: Residents of Harris County MUD NO. 81**

Beginning on Monday December 3<sup>rd</sup>, 2007, Waste Corporation of Texas ("WCA") will be your new trash collection provider.

**NEW RECYCLE COLLECTION DAYS (see below)**

**TRASH COLLECTION DAYS REMAIN THE SAME, MONDAY-THURSDAY FOR THE WEST SIDE OF MASON and TUESDAY-FRIDAY FOR EAST SIDE OF MASON**

**Please have trash out at the curb by 7:00 am each pick up day.**

On each regularly scheduled collection day WCA will collect residential refuse located at the curbside. Also note that refuse must be either in containers or bags **not exceeding 40 gallons** or weighing over 40 pounds.

Trees, shrubs, brush trimmings and fencing must be bundled in lengths no greater than 4 feet with no branch diameter exceeding 3 inches. The bundling is required to allow quick pickup and size limitations are required to avoid damaging the equipment in the crushing process. All residential waste materials except tree and yard waste must be either in containers, bags or bundles not exceeding 40 pounds.

Bulky items such as appliances, furniture, carpet (up to 1 room, rolled up four feet wide and less than fifty pounds) and cardboard boxes (flattened) will be picked up either day. By federal law, refrigerators and freezers or any other items containing Freon must be drained of Freon and have an accompanying bill to validate such service was performed.

Items excluded from normal collection are dirt, rocks, bricks, concrete, tires, batteries, motor oil, cooking oil, waste generated by a private contractor or any materials or items deemed hazardous materials. WCA will leave a tag explaining the reason for non-collected item(s), if any.

Other than normal amounts of residential refuse, yard trimmings or bulk items, if notified in advance WCA will meet with a resident prior to collection day to determine a price for special pick up. If a resident does not notify WCA of such a special pickup before the next scheduled collection day, then WCA will leave a notice for the resident to contact WCA during normal office hours before the next scheduled collection day.

WCA will clean up any spillage that occurs during the collection or recycling process; provided, however, that if gasoline, motor oil, paints, cooking oil, or any other liquid items in a container that is not visible to WCA personnel results in spillage that causes a stain, WCA cannot be responsible.

**NEW RECYCLE DAY IS THURSDAY FOR WESTSIDE OF MASON RD & FRIDAY FOR THE EAST SIDE OF MASON RD.**
